Subject: Succession Agreement

Mr. Malin,

Negotiating a succession agreement with the longest tenured City Administrator in the history of Davenport has been a difficult and emotional task.

At no time during the discussion, was it the intention of any elected official below to question your credibility, work ethic, or desire to make Davenport a better place. You consistently demonstrate a high level of initiative, and strive to improve performance.

We wish you the best in the future.

Gene Meeker
Alderman at Large

Rick Dunn
